Executive Summary

Buxton Dingley Village shows a very strong local reputation, led by high Google ratings and repeated customer language around professionalism, market knowledge, auction results and clear communication. The main risk is uneven platform presence: Google is strong while TripAdvisor is lower, and total review volume trails the largest nearby competitor.

87/100

VERY TRUSTED

BUSINESS / TEAM IMAGE

The fastest trust win is to request reviews immediately after auctions, successful sales and settlement. These moments are most likely to produce positive, specific feedback.

KEY INSIGHT

Strong reputation, but platform consistency and review volume should improve.

Focus on TripAdvisor recovery and industry portal review acquisition.

Platform Comparison

Not every platform matters equally. This page shows where trust is strongest and where the next action should be focused.

PLATFORM	RATING	REVIEWS	RECOMMENDED ACTION
Google	4.9/5	254	Primary local trust platform. Maintain review request cadence after settlement and auction wins.
TripAdvisor	3.8/5	26	Secondary signal is lower. Audit comments, respond professionally, and rebalance with satisfied client reviews.
Facebook	Not checked	-	Community signal. Confirm profile is current and add auction/success stories.
RateMyAgent / Domain	Not checked	-	High relevance for real estate. Request agent/profile reviews after successful transactions.

High Priority

Systematically request reviews after settlement and successful auctions.

Track new reviews weekly by platform and compare with local competitors.

Customer Voice Analysis

The report converts repeated customer language into themes the business can use in marketing, service training and reputation improvement.

THEME	MENTIONS	CUSTOMER MEANING
auction	34	Clients value successful auction outcomes and see auctions as a core service strength.
selling property	25	Many reviewers judge the agency on sales results and a clear process.
professional agent	16	Customers consistently notice professionalism and local market expertise.
selling process	12	A clear managed process contributes to satisfaction.
first inspection	11	Open-home standards influence first impressions.

PHRASES TO USE IN MARKETING

Professional local market experts

Experienced auction and selling team

Avoid unqualified claims such as guaranteed sale, perfect outcome or no-risk.

Risks & Opportunities

WHAT MAY COST CUSTOMERS

A lower TripAdvisor rating may reduce trust among audiences who check multiple platforms before contacting an agent.

REVIEW VOLUME GAP

Total reviews are meaningful, but lower than the largest nearby competitor with 1,011 reviews.

PLATFORM DISTRIBUTION

Uneven distribution can reduce conversion when prospects compare Google, social and industry portals.

SOCIAL PRESENCE

Facebook and Instagram branding, followers and profile activity should be shown when confidently matched.

Social Presence Snapshot

Google: 4.9/5 from 254 reviews Facebook: followers if available Instagram: followers and post count if available

Only show social data when the profile match is clear and the source URL is stored.
