ARTICLE 1 — INTRODUCTION

1.1 About This Privacy Policy

This Privacy Policy explains how **Quintessence Visionary Studio Pty Ltd**, trading as **Find Business Reviews**, collects, uses, holds, discloses, stores and protects personal information.

Find Business Reviews provides a business review comparison, AI Trust Score and AI Business Reputation Report service.

1.2 Who This Privacy Policy Applies To

This Privacy Policy applies to:

- (a) users who access or use the Find Business Reviews website or platform;
- (b) users who search for business reviews using the free search;
- (c) business owners, managers, employees, consultants, agents or authorised representatives who request a paid Business Reputation Report;
- (d) users who contact us;
- (e) users who submit forms on the website;
- (f) users who make payments through Stripe or another third-party payment provider; and
- (g) users who interact with our emails, website, reports or digital services.

1.3 Free Search Without Account

Users can use the free business search without creating an account.

We do **not** require free search users to provide their name, email address, phone number or other contact details.

We only directly collect personal information when you voluntarily provide it, including when you:

- (a) request a paid Business Reputation Report;
- (b) submit a contact form;
- (c) contact us by email or another method;
- (d) submit business or report details;
- (e) make a payment through Stripe or another payment provider; or
- (f) agree to receive marketing communications.

1.4 Australian Privacy Principles

Where applicable, we aim to handle personal information in accordance with the Australian Privacy Principles under the Privacy Act 1988 (Cth).

The Australian Privacy Principles are the main privacy framework under the Privacy Act and apply to how personal information is collected, used, disclosed, stored and managed.

ARTICLE 2 — INFORMATION WE COLLECT

2.1 Information We Do Not Require for Free Search

For the free business search, we do not require you to create an account or provide:

- (a) your name;
- (b) your email address;
- (c) your phone number;
- (d) your home address; or
- (e) payment details.

2.2 Information Collected for Paid Business Reports

When you request or purchase a paid Business Reputation Report, we may collect:

- (a) full name;
- (b) email address;
- (c) phone number;
- (d) business name;
- (e) business address;
- (f) business website;
- (g) Google Business Profile link or other business listing link;
- (h) report request details;
- (i) confirmation that you are the business owner, manager, employee, consultant, agent or authorised representative;
- (j) payment status;
- (k) report generation status;

- (l) report delivery status;
- (m) report request date and time; and
- (n) communications relating to the report.

2.3 Information Collected When You Contact Us

If you contact us, we may collect:

- (a) your name;
- (b) email address;
- (c) phone number, if provided;
- (d) business details, if provided;
- (e) message content;
- (f) attachments or supporting information you provide; and
- (g) records of our communication with you.

2.4 Payment Information

Payments may be processed by **Stripe** or another third-party payment provider.

We do not store full credit card details.

The payment provider may collect and process payment information, including:

- (a) card details;
- (b) billing details;
- (c) transaction amount;
- (d) transaction date;
- (e) payment status;
- (f) fraud-prevention information; and
- (g) payment confirmation details.

Your payment information is handled by the relevant payment provider according to its own terms and privacy policy.

2.5 Technical and Usage Information

When you use our website or platform, we may automatically collect limited technical and usage information, including:

- (a) IP address;
- (b) browser type;
- (c) device type;
- (d) operating system;
- (e) pages visited;
- (f) date and time of access;
- (g) search queries entered into the platform;
- (h) referring website;
- (i) cookies or similar technologies;

- (j) analytics data;
- (k) server logs;
- (l) error logs; and
- (m) security event logs.

This information may be collected through hosting providers, analytics tools, security tools, cookies or similar technologies.

2.6 Public Business Information

The platform may collect, display or analyse publicly available business information, including:

- (a) business name;
- (b) business address;
- (c) business website;
- (d) business phone number;
- (e) public ratings;
- (f) public review counts;
- (g) public review text or snippets;
- (h) public review tags or topics;
- (i) public business images or logos;
- (j) business category;
- (k) public competitor information; and
- (l) other publicly available business profile information.

This information may be collected from publicly available sources and third-party platforms such as Google, Yelp, TripAdvisor, Trustpilot, ProductReview, Facebook, search providers, directories or APIs.

2.7 Information We Do Not Intentionally Collect

We do not intentionally collect sensitive personal information through the free search.

You should not submit sensitive information through our forms unless it is necessary for your enquiry and you consent to us handling it for that purpose.

ARTICLE 3 — HOW WE COLLECT INFORMATION

We may collect information:

- (a) directly from you when you submit a form, report request or contact request;
- (b) when you make a payment through a third-party payment provider;
- (c) automatically when you use the website or platform;
- (d) from publicly available sources;
- (e) from third-party data providers or APIs;

- (f) from analytics, hosting, security or website tools; and
- (g) from communications between you and us.

Australian privacy guidance states that personal information must be collected by lawful and fair means, and if practical, directly from the individual.

ARTICLE 4 — WHY WE COLLECT AND USE INFORMATION

We may collect, hold, use and process information for the following purposes:

- (a) to operate the Find Business Reviews platform;
 - (b) to provide the free business search;
 - (c) to generate AI Trust Scores and AI summaries;
 - (d) to process paid Business Reputation Report requests;
 - (e) to verify business and report request details;
 - (f) to confirm payment status;
 - (g) to generate, manage and deliver reports;
 - (h) to contact you about your report or enquiry;
 - (i) to provide customer support;
 - (j) to maintain internal records;
 - (k) to improve the platform, reports and user experience;
 - (l) to monitor website performance and security;
 - (m) to prevent fraud, misuse, unauthorised access or abuse;
 - (n) to comply with legal obligations;
 - (o) to resolve disputes;
 - (p) to enforce our Terms and Conditions; and
 - (q) to send marketing communications where permitted by law or where you have consented.
-

ARTICLE 5 — FREE SEARCH USERS

5.1 No Account Required

Free search users do not need to create an account.

5.2 No Direct Contact Details Required

We do not require free search users to provide their name, email address or phone number.

5.3 Search Data

When you use the free search, the platform may process search terms, business names, suburbs, locations, categories or other search queries to return business review information.

5.4 Technical Data

Even where you do not submit personal contact details, limited technical information may still be collected automatically through hosting, analytics, cookies, server logs or security systems.

ARTICLE 6 — PAID BUSINESS REPORT REQUESTS

6.1 Information Required

If you request a paid Business Reputation Report, we may require personal and business information so we can process, generate and deliver the report.

6.2 Authorised Representative Confirmation

When requesting a paid Business Reputation Report, you may be required to confirm that you are the business owner, manager, employee, consultant, agent or authorised representative of the business.

6.3 Report Delivery

We may use your contact details to:

- (a) confirm your request;
 - (b) confirm payment;
 - (c) ask for missing information;
 - (d) deliver your report;
 - (e) provide customer support; and
 - (f) follow up regarding the service.
-

ARTICLE 7 — AI PROCESSING AND REPORT GENERATION

7.1 Use of AI

We may use artificial intelligence tools to analyse public business review data and generate:

- (a) AI Trust Scores;
- (b) review summaries;

- (c) sentiment analysis;
- (d) review tag analysis;
- (e) business reputation insights;
- (f) competitor comparisons;
- (g) customer language insights;
- (h) action plans;
- (i) suggested response templates; and
- (j) Business Reputation Reports.

7.2 Information Used by AI

AI tools may process:

- (a) public business review data;
- (b) public ratings;
- (c) review counts;
- (d) review snippets;
- (e) review tags;
- (f) business names;
- (g) business locations;
- (h) competitor information;
- (i) business category information; and
- (j) information submitted in a paid report request.

7.3 AI May Make Mistakes

AI-generated content may contain errors, omissions, incorrect assumptions or incomplete analysis.

Reports and summaries are provided for general business insight only and should not be treated as legal, financial, accounting, marketing, reputation-management or professional advice.

7.4 Human Review

You should independently review and verify AI-generated information before relying on it or making business decisions.

ARTICLE 8 — THIRD-PARTY PLATFORMS AND PUBLIC REVIEW DATA

8.1 Third-Party Platforms

Find Business Reviews may use or display information from third-party platforms, including but not limited to:

- (a) Google;
- (b) Yelp;
- (c) TripAdvisor;
- (d) Trustpilot;
- (e) ProductReview;
- (f) Facebook;
- (g) search engines;
- (h) business directories;
- (i) public websites; and
- (j) data/API providers.

8.2 Public Data May Change

Public review data may be incomplete, outdated, inaccurate, unavailable or changed after it is displayed or analysed.

8.3 No Control Over Third-Party Platforms

We do not control third-party platforms and are not responsible for their content, privacy practices, policies, ratings, reviews, data accuracy, availability or changes.

8.4 Platform Logos

Where platform names or logos appear on our website, reports or marketing material, they are used to identify the third-party platforms that may be referenced or compared.

Find Business Reviews is independent and is not affiliated with, endorsed by, sponsored by or approved by those third-party platforms.

ARTICLE 9 — COOKIES AND ANALYTICS

9.1 Cookies

We may use cookies, pixels, local storage or similar technologies to:

- (a) operate the website;
- (b) remember preferences;
- (c) improve performance;
- (d) measure traffic;
- (e) detect errors;
- (f) support security; and
- (g) understand how users interact with the platform.

9.2 Analytics

We may use analytics tools to understand usage patterns, improve the platform and measure performance.

Analytics may collect technical information such as device type, browser, IP address, pages visited and interactions.

9.3 Managing Cookies

You can usually disable or manage cookies through your browser settings. Some platform features may not work correctly if cookies are disabled.

ARTICLE 10 — DISCLOSURE OF INFORMATION

We may disclose information to:

- (a) payment processors, including Stripe;
- (b) hosting providers;
- (c) database providers;
- (d) email and communication providers;
- (e) analytics providers;
- (f) security and fraud-prevention providers;
- (g) AI service providers;
- (h) API and data providers;
- (i) contractors, developers or service providers who help operate the platform;
- (j) professional advisers, including lawyers, accountants or insurers;
- (k) regulators, authorities or courts where required by law; and
- (l) any party where disclosure is necessary to protect our rights, safety, platform, users or legal interests.

We do not sell personal information to advertisers.

ARTICLE 11 — OVERSEAS DISCLOSURE

Some of our service providers may store or process information outside Australia.

This may include providers located in:

- (a) the United States;
- (b) countries where cloud hosting, payment, analytics, email, AI or API providers operate; and
- (c) other countries where our service providers or their infrastructure are located.

Where required by applicable privacy law, we will take reasonable steps regarding overseas disclosure of personal information.

ARTICLE 12 — DATA SECURITY

We take reasonable steps to protect personal information from misuse, interference, loss, unauthorised access, modification or disclosure.

Security measures may include:

- (a) access controls;
- (b) password protection;
- (c) secure hosting;
- (d) encryption where appropriate;
- (e) restricted admin access;
- (f) database security;
- (g) monitoring and logging;
- (h) limiting access to authorised personnel and service providers; and
- (i) other reasonable technical and organisational safeguards.

No method of transmission or storage is completely secure, and we cannot guarantee absolute security.

ARTICLE 13 — DATA RETENTION

We retain personal information only for as long as reasonably necessary for the purposes described in this Privacy Policy, including:

- (a) providing the platform;
- (b) processing report requests;
- (c) delivering reports;
- (d) keeping business records;
- (e) customer support;
- (f) legal, accounting and tax obligations;
- (g) fraud prevention;
- (h) dispute resolution; and
- (i) enforcing our Terms and Conditions.

When information is no longer required, we will take reasonable steps to delete, de-identify or securely destroy it, subject to legal and operational requirements.

ARTICLE 14 — ACCESS AND CORRECTION

You may request access to personal information we hold about you.

You may also request correction of personal information if you believe it is inaccurate, incomplete, outdated, irrelevant or misleading.

To request access or correction, contact us at:

Email: [Insert privacy/support email]

We may need to verify your identity before responding.

ARTICLE 15 — MARKETING COMMUNICATIONS

15.1 Service Communications

If you request a report, contact us or make a payment, we may send service-related communications about:

- (a) your enquiry;
- (b) your report request;
- (c) payment confirmation;
- (d) report delivery;
- (e) missing information;
- (f) customer support; or
- (g) changes affecting your requested service.

15.2 Marketing Communications

We may send marketing communications where permitted by law or where you have consented.

ACMA states that commercial messages must have consent, identify the sender and include an unsubscribe option.

15.3 Unsubscribe

You may unsubscribe from marketing communications at any time by using the unsubscribe option provided or by contacting us.

We may still send service-related communications that are necessary to provide a report, respond to an enquiry or comply with legal obligations.

ARTICLE 16 — PUBLIC BUSINESS INFORMATION CORRECTION REQUESTS

If you are a business and believe public information displayed about your business is inaccurate, outdated or inappropriate, you may contact us at:

Email: [Insert privacy/support email]

We may review the issue and correct information displayed on Find Business Reviews where reasonably possible.

However, we cannot guarantee correction, removal or amendment of information controlled by third-party platforms such as Google, Yelp, TripAdvisor, Trustpilot, ProductReview, Facebook or other public sources.

ARTICLE 17 — CHILDREN

The platform is not intended for children.

We do not knowingly collect personal information from children.

If you believe a child has provided personal information to us, please contact us and we will take reasonable steps to delete it where appropriate.

ARTICLE 18 — THIRD-PARTY WEBSITES AND SERVICES

The platform may contain links to third-party websites, payment pages, review platforms or external services.

We are not responsible for the privacy practices, terms, security or content of third-party websites or services.

You should review the privacy policies of any third-party services you use.

ARTICLE 19 — DATA BREACHES

If we become aware of a data breach involving personal information, we will assess and respond to the incident in accordance with applicable legal obligations.

Where required by law, we may notify affected individuals and/or the Office of the Australian Information Commissioner.

ARTICLE 20 — PRIVACY COMPLAINTS

If you have a privacy concern or complaint, contact us first so we can try to resolve it.
